## **DETAILED ACTION**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 18 June 2007 has been entered.

2. In view of the Appeal Brief filed 20 October 2006, claims 12, 25, and 26 have been amended and claims 36-65 have been added. Claims 12, 25, 26, and 36-65 have been examined.

### ***Information Disclosure Statement***

3. The information disclosure statement (IDS) submitted on 8 August 2005 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

4. The 1449 mailed by the Office on 5 April 2005 in response to the IDS 8 August 2005 was not signed by the Examiner. This 1449 has been signed and is being re-sent with this office action; however, it is noted that this document is superseded by the consideration of that IDS in this action.

***Allowable Subject Matter***

5. Claims 12, 25, 26, and 36-65 are allowed.

6. The following is an examiner's statement of reasons for allowance: Claims 12 and 25 are allowable for the reasons stated in the previous office action. Claim 53 is allowable because no art could be found that show the separate encryption of links for outputting to a display. The closest art, U.S. Patent Application Publication No. 2002/0037081 to Rogoff et al., shows only encryption of a single link.

All other claims are allowable based upon their dependence upon allowable base claims.

7. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

8. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
